Mr. ORTIZ changed his vote from "yea" to "nay."

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 1745, UTAH PUBLIC LANDS MANAGEMENT ACT OF 1995

Ms. PRYCE, from the Committee on Rules, submitted a privileged report (Rept. No. 104-404) on the resolution (H. Res. 303) providing for the consideration of the bill (H.R. 1745) to designate certain public lands in the State of Utah as wilderness, and for other purposes, which was referred to the House Calendar and ordered to be printed.

CONFERENCE REPORT ON H.R. 1977, DEPARTMENT OF THE INTERIOR AND RELATED AGENCIES APPROPRIATIONS ACT, 1996

Mr. REGULA. Mr. Speaker, pursuant to House Resolution 301, I call up the conference report on the bill (H.R. 1977) making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 1996, and for other purposes.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Mr. LAHOOD). Pursuant to House Resolution 301, the conference report is considered as having been read.

(For conference report and statement, see proceedings of the House of December 12, 1995 at page H14288.)

The SPEAKER pro tempore. The gentleman from Ohio [Mr. REGULA] will be recognized for 30 minutes, and the gentleman from Illinois [Mr. YATES] will be recognized for 30 minutes.

The Chair recognizes the gentleman from Ohio [Mr. REGULA].

GENERAL LEAVE

Mr. REGULA. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?

There was no objection.

Mr. REGULA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker and my colleagues, this is the conference report on Interior. As my colleagues know, it was recommitment once on the question of the moratorium on mining, and the second time on the mining issue and also on the Tongass timber program.

Mr. Speaker, the questions on mining and the Tongass, I will address, but let me say at the outset I think what we have is a very fair bill. For example, we had dozens and dozens of requests from Members for various things that might impact in their districts, and the number on the Democratic side that we responded to is actually a few more than on the Republican side. We made an effort to respond on the merits of the issues without regard to partisanship, and I would hope that my colleagues on the minority side would support this legislation. I think likewise that the majority Members should do the same, and I think, as I explain what we made in the way of changes, that my colleagues will understand we have responded to the concerns of the Members.

Also I think it is very important that we get this bill down to the President, and I would hope he would sign it. There are 130,000 employees who are waiting and hoping that this legislation will become law so they can get on with the job of managing the parks, keeping the gates open for the public to enjoy these wonderful facilities; likewise in managing our forests, our public lands, the grazing lands, the fish and wildlife facilities, the Smithsonian, the National Gallery. Many of my colleagues probably had their visitors here experience the fact that the doors were closed on the Smithsonian, the National Gallery, the Kennedy Center during the period of time, the 5 days or so, that we did not have funding, and, if we can get this conference report passed in the House and the Senate, get it to the President, I think to examine the merits of the bill, that the executive branch, the President, will recognize that we have been as fair as possible, that we have addressed the problems.

I want to say also at the outset that there is some talk about a budget bust. That has got to be the new math in this town, because this bill is \$1.3 billion under 1995 in budget authority. It
